Chapter 12

Jim has just returned from a long journey. He tells his friends about the adventures he had on the island. He tells them about the treasure he found and the dangers he faced. His friends are amazed and excited.

"What an incredible story," says Ben. "I can't believe you found a treasure on an island!"

"Yes," says Jim. "But it wasn't easy. We had to face many challenges."

"What kind of challenges?" asks Sarah.

"Well," says Jim. "There were pirates who tried to steal our treasure. And there were wild animals that tried to attack us."

"Wild animals?" asks Ben. "What kind of animals?"

" Lions and tigers and bears, oh my!" sings Jim. "They were everywhere."

"How did you manage to survive?" asks Sarah.

"We were lucky," says Jim. "We had each other and our wits."

"I'm glad you're safe," says Ben. "We'll all be safer when we get back to civilization."

"I agree," says Jim. "And I'll be ready for more adventures!"

"Ready for more adventures?" asks Sarah. "You just got done with one!"

"Yes," says Jim. "But I like challenges. They make life interesting."

"Life is indeed interesting," says Sarah. "And we're all excited to hear more about your adventures."

"I'll be sure to share them with you," says Jim. "But for now, let's get back to reality."

"Reality," says Ben. "I'm ready for reality."

"Me too," says Sarah. "But I'm still a little wobbly on my legs."

"Wobbly on your legs?" asks Jim. "What happened to you?"

"I fell," says Sarah. "I slipped on a banana peel."

"A banana peel?" asks Ben. "You mean a banana peel from a banana tree?"

"Yes," says Sarah. "It was a banana tree that grew in the middle of the jungle."

"Wow," says Jim. "That's quite an adventure!"

"I know," says Sarah. "I'll be sure to tell you all about it when I'm back on my feet."

"I'm sure it will be quite exciting," says Ben. "But for now, let's just be happy to be back in civilization."

"I agree," says Jim. "Let's all celebrate with a nice big meal."

"A big meal?" asks Sarah. "What kind of meal?"

"A meal with all the fixings," says Jim. "Roast chicken, mashed potatoes, and all the trimmings."

"Sounds delicious," says Ben. "I'm hungry just thinking about it."

"Me too," says Sarah. "I could eat a horse."

"A horse?" asks Jim. "What happened to you?"

"I don't know," says Sarah. "I just feel like eating a horse."

"I'm sure it will pass," says Jim. "Let's just focus on enjoying our meal."

"I'm ready," says Ben. "Let's eat!"

"Let's eat," says Sarah. "I'm starving!"
